Dear Parent/Carer

Re: Easter Revision and Intervention

I am writing to ask you to remind your child of the importance of revision and intervention over the Easter break. It is imperative that they attend all sessions provided at school over the holiday and concentrate their efforts revising at home.

There are now only six weeks until examinations and it is very important that your child is using every opportunity available to ensure they secure the grade they have worked so hard for.

Please do not hesitate to contact the school for any information regarding your child's intervention timetable over Easter or if you have any concerns.

I wish you a happy and holy Easter.

Yours sincerely,

A Thomas
