Dear Parent/Guardian

Autumn term

It has been a truly positive start to the term for our students, particularly for our new Year 7 pupils, who have transitioned seamlessly in to Salvatorian College.

Year 11 parents attended the motivational 'Up the Ante' evening to help pupils plan and prepare for the year ahead.

We will endeavour to introduce a Wider Horizons Week from Monday, October 18th. This week will extend the curriculum opportunities with a blended learning approach of in-school workshops, drama performances, guest speakers and educational trips.

There will be a minimal cost for parents in order for us to provide an enriching and extensive array of activities. Further details will follow and will be Covid-19 restriction dependent.

Please make a note of some key dates this half term:

Friday, September 24th	Grand Opening Celebration with an early closure at 1:30 pm
Monday, September 27th	Year 7 Information Evening
Friday, October 1st	Grand Opening Party
Monday, October 4th	Open Evening for Year 5 and 6 pupils with an early closure at 12.30pm
Commencing Tuesday, October 5th	Open Morning Tours by appointment
Thursday, October 7th	Target Setting Day (curriculum collapse for pupil and parent meetings with staff)

Further details will be released shortly regarding our Open Evening arrangements. I would encourage our pupils to support the school during the evening in one of the many events we host. Our outstanding pupils are always our best representation.

We look forward to working closely with you and your son in achieving to the best of his capability this year.

Yours Sincerely

**Mr Bryant
Head of School**
