MESSAGE FROM THE HEAD OF SCHOOL

Last week I was invited to City Hall, on behalf of the Salvatorian College community, to receive our Schools for Success award, from Sadiq Khan, in recognition of the outstanding progress of the boys at our school, particularly those with low starting points. I was very proud to be in the company of the 6% of schools chosen for this award and it gave me an opportunity to reflect on our school's successes. Early indications are that our exam results this year will, again, place us well above average nationally and above average locally. In order to continue in this way, it is vitally important that all of our boys read literature from a wide range of sources. We will be working to ensure that all of our boys achieve an appropriate reading age and I ask that you co-operate by encouraging them to have a reading book, making time to share this experience with them.

There will be a number of trips this term, including Rome, China and ten pin bowling, and Miss Ibrahim is launching the Duke of Edinburgh Award Scheme for our boys, which many of our staff have volunteered to assist. Youth Club is also a regular feature of Wednesday night.

Kind regards,

Alan Bryant
Head of School

YOUTH CLUB

Despite the bad weather recently, the turn out for the first few youth club sessions have very pleasing. There are a number of activities the boys can participate in including football, cooking, Art and film club. This coming week the students are going bowling and again we thank the staff and pupil helper volunteers for giving up their time for youth club.

CULTURE DAY

Last Thursday the boys who are going on the Beijing trip attended St Thomas More School for a Chinese culture day accompanied by Mr Evans. This Beijing trip is a once in a lifetime opportunity and the boys are really looking forward to the trip. They got a chance to meet up with the other students from the trust schools who are also going, and also taste food from China thanks to their chef Mr Jacques Abdou

GOSPEL REFLECTION

In today's Gospel we hear Jesus teach about faith and service to God. The context is a continuing dialogue between Jesus and his followers about what it means to be a disciple of Jesus. Jesus has just finished an instruction on sin and forgiveness. There are two related teachings that Jesus offers to his disciples when they cry out for an increase in faith. The first is the familiar reminder that faith, even just a little, will enable the followers of Jesus to do wondrous things. But this uplifting and inspiring teaching is quickly followed by the second teaching, a caution about knowing one's place in God's plans. The disciples of Jesus are to understand themselves as servants to God and his plans. Even when God works wonders through us, with our mustard seed-sized faith, we must not seek praise.

Prayer

Send your spirit Lord, to I crease our faith in you, and to work through the hearts of all those who believe. Help us to believe in your goodness, and to always trust in your love to us. Amen
