Dear Parent / Carer,

Ski Trip Information Request

I hope this communication finds you all well. With less than a year now before the trip I am collecting the necessary information which the travel company requires for both smooth transit and arrival at the ski resort. Please return the completed form to the office by Friday 27 June.

By focusing on this now I hope it will flag up any issues well in advance so that they can be rectified without causing undue stress later, as we still have ten months to go.

Please note, that if your son has a non-British Passport you may also have to organize relevant paperwork such as Visas. I would recommend that you investigate this in good time too.

Kind regards,

Mr Templeton
