

Friday, 24th February 2023

Dear Parents of Year 11,

As you are aware, the final round of Year 11 Mock Exams will take place on 16th March. I have attached the provisional timetable to this letter.

The mock exams will provide your son with an opportunity to practice for the upcoming GCSE exams in May and June. It is important that your son takes these tests seriously and prepares for them in the same way as they would for their GCSE exams. I suggest that your son begins their revision soon, with a plan of revision for each subject they are taking.

I understand that this time of year can be both exciting and nerve-wracking for students, and I would like to remind you of a few things that might help your child(ren) through this period.

Firstly, it is important to ensure your son eats well and gets enough rest. Good nutrition and rest will help them to stay focused and alert when studying.

Also, make sure to provide a quiet, comfortable environment for them to study in. If possible, try to limit distractions and limit the amount of time spent on electronic devices.

Finally, it is important to stay positive and provide encouragement. Encourage your son to work hard and keep up with their revision in the lead up to the exams.

We want to ensure that your son is as well-prepared as possible for the Mock Exams. We ask that you support your child by encouraging them to attend all their revision classes, after school and on Saturdays.

We are also providing additional support in the form of study skills workshops. Please do not hesitate to contact us if you have any questions or concerns.

I would like to thank you for your ongoing support and wish your son the best of luck for their upcoming Mock Exams.

Kind Regards,

Mr D. Evans
Deputy Headteacher / Head of Year 11
