Inspiring leaders of the future
through values, innovation
and creativity

Honouring Tradition, Inspiring Change

Welcome to Salvatorian College, a dynamic and forward-thinking secondary school dedicated to providing an outstanding, well-rounded education to boys aged 11 to 18.

As a high-performing school, we uphold a legacy of excellence while embracing innovation to prepare our students for the challenges and opportunities of the modern world.

As a partner of the Cardinal Hume Academies Trust, we celebrate our Catholic ethos and values while welcoming students of all faiths and none. We take pride in fostering a sense of community and inclusivity where every young person can thrive academically and socially.

Rated 'Good' by Ofsted and 'Good' in our Catholic Section 48 Inspection, Salvatorian College is consistently among the top-performing schools nationally for Progress 8. We are proud to be the second-highest performing state Catholic boys' school in England and a leading school within the local authority.

Student behaviour is exemplary, supported by clear processes and bespoke pastoral care for each student. We take great pride in our induction programme where our prospective Year 7 students take part in the widest range of activities and initiatives to ensure the smoothest of transfers to our school.

Our Sixth Form offers a wide range of subjects, small class sizes, and opportunities for trips and overseas visits, ensuring students are well-prepared for higher education and future careers.

The breadth and variety of our student experience is unrivalled and enjoyed within and beyond the classroom. Our first-class campus includes a state-of-the-art school building, with a wide range of dedicated purpose-built indoor and outdoor learning spaces, along with the use of exceptional external sports facilities.

Choosing Salvatorian College means choosing excellence, integrity and innovation. With outstanding academic results, exceptional pastoral care and a comprehensive and unrivalled extracurricular offer, we ensure every young person develops the skills, confidence, and character needed to thrive in any future environment. We warmly invite you to visit our school and experience first-hand our commitment to honouring tradition and inspiring change.

Mr Martin Tissott
Executive Headteacher

Mr Alan Bryant
Head of School

Life at Salvatorian

Our student experience is what makes us unique. Within and beyond our high achieving school environment our students have access to and participate in a myriad of opportunities.

Student Experience

Students participate in a wide range of experiences across the arts, culture, drama, sports, music, leadership, modern foreign languages, volunteering and fundraising. They develop an exceptional range of skills that sets them apart from their peers when they move onto the world of further education, training or employment, including determination, confidence, teamwork, leadership and resourcefulness.

Talented staff

Our excellent teaching and pastoral staff have a unique blend of skills, qualities and outstanding credentials, allowing them to effectively nurture and inspire our students. They demonstrate a genuine passion for education, through their subject specialisms, and their commitment to catering to different learning styles and abilities. A growth mindset is encouraged in all our students, ensuring they embrace challenges, think critically, and understand the importance of innovation.

Modern campus

Our state-of-the-art facilities have been designed to support academic excellence and creative exploration and these are some of our key features:

- Seven modern Science laboratories
- Specialised Design Technology labs, graphics studio and Art rooms
- A dedicated chapel located onsite
- A spacious four-court sports hall and fitness studio
- A fully stocked library and eLearning resources
- Use of superb external sports facilities, featuring racetracks and football.

An all-round education

Our curriculum is ambitious, broad, and world-focused, designed to be challenging and creative. Our holistic approach to education (including the Arts, Drama, Music and Sport) emphasises development beyond academia. Our aim is to nurture our students' creative, physical, and social skills alongside their intellectual and spiritual growth, ensuring well-rounded individuals prepared for life, leadership and limitless future opportunities.

Extensive cultural capital

Students' learning is complemented by an impressive array of trips, events and experiences and they have access to a rounded and relevant enrichment offer of which we are proud. We offer access to advice, guidance and pointers from the world of business and regularly welcome guest speakers and professionals into the school from a range of industries such as Law, Business, the Arts, Social Enterprise and Technology.

Our unrivalled enrichment programme, including a Wider Horizons week, has been designed to develop important skills and bring learning to life within a different context, all the while stimulating students' interests and igniting their passions and talents.

Accolades and awards

Our work across all areas of student life has received recognition and praise. We are the proud holders of multiple awards and accreditations such as Eco-school and RE Mark and are members of prestigious organisations, furthering opportunities for students and enhancing their overall experience. We are also currently working towards Artsmark Gold.

A unique Year 7 experience

We understand the importance of transition from primary to secondary school and work closely with parents, pupils and staff in our partner primary schools to ensure this proves to be a positive experience for all.

We offer workshops, summer camps and masterclasses throughout the year and we invest a lot of time in getting to know our students before they join Salvatorian College so that we can provide learning experiences that match interests and talents.

Our aim is to build confidence and friendships in our prospective new students at Salvatorian College. Every student will enjoy a tailored experience designed to ensure a smooth and enjoyable start – exclusive features include:

- Webinar event in March following offer day
- A whole day of transition in July for pupils to meet their peers and form tutors

- Summer school in late July, featuring educational fun activities such as sports, gardening, cooking and creative projects.

To enhance our students' success and development, we encourage parental involvement at important times of the year. Parents play a crucial role in their child's learning and personal growth, and you can expect the following home-school communications:

- Two informal parents' evenings in September and July
- Target setting days with parents in November.

Our bespoke offer

- A specialist Head of Year 7
- A dedicated playground and learning spaces
- Early lunches for the first term
- Tailored personal mentors with a Year 10 student for pastoral support and confidence building
- A Year 7 choir
- Sports competitions
- Drama performances focusing on team building and mindfulness
- A retreat with team-building activities within the first autumn half term
- Educational trips and after school clubs
- Awards evening
- School fayres, community events and Wider Horizons week.

Student Testimonials

Right from the start, Salvatorian really understood that we were completely new and made sure we were supported.

Having our own playground really helped us feel comfortable. Everything was so well organised – from the journals to the clear routines – and before lessons even started, we were carefully guided through all the rules, expectations, and even the layout of the school. It helped me feel confident and ready.

There are so many amazing things about Salvatorian. I love E-praise, all the fun activities like the fayres and charity events, and especially the way students treat each other with kindness and respect. The sense of community here is brilliant.

The boys work really well together and there's a strong sense of teamwork and community. It feels less pressured than a mixed school, and it's easier to focus and enjoy lessons.

Marley, Year 7

There's a huge variety of sports to get involved in, and the food in the canteen is great too! We study a wide range of subjects and every teacher explains things really clearly so we can do our best.

I also really appreciate the high expectations. The rules are clear and fair, so when mistakes happen, you learn from them and improve. It helps you become a better person and teaches you responsibility.

The equipment and facilities are excellent – in subjects like DT, Woodworking, Food Tech, Art and PE, we have brilliant resources to learn with.

At other schools you sometimes hear about bullying between older and younger students, but at Salvatorian that doesn't happen. The older boys are always kind and supportive to the younger ones, and any problems are dealt with straight away.

I really like being in an all-boys' school because there's a healthy sense of competition that pushes us to do our best. It feels relaxed and enjoyable, and it's easier to build good friendships.

Luca, Year 7

A gateway to the future

Salvatorian College offers a rich curriculum and diverse extra-curricular activities to nurture students' creativity, character and global perspective. We have an extended day – 7:45am to 5:00pm – and a wealth of opportunities for students to get involved in to support their personal development.

Enrichment

- Clubs including Music (including choir, bands and orchestra) Drama, Art, Technology, Economics and Politics
- The Duke of Edinburgh Award
- Wider Horizons Week in July
- Additional music opportunities, including choir collaborations with Harrow School
- Creative arts events, drama performances, exhibitions, visiting artist workshops and guest speakers
- International trips, retreats and cultural exchange programmes, including our annual pilgrimage to Rome, skiing in Europe and trip to China.

Leadership

- Leadership opportunities, such as prefects and peer mentoring
- Public speaking engagements and the Jack Petchey Speak Out Challenge.

Progression

- Free tutoring for every student
- Extra Saturday revision classes for Years 10 and 11
- Extra lessons every day for Year 11 and partway through Year 10
- Work experience for every Year 10 student
- Careers fairs.

Philanthropy

- Christmas and summer fairs
- Community events
- Charity, volunteering and fundraising initiatives.

A journey of discovery

Our commitment to academic success continues into our new Sixth Form. The curriculum has been specifically designed to reflect the ambitions and interests of our students.

Lessons in our Sixth Form are created to inspire and challenge students whilst also preparing them for the demands of further study and independent learning. Our Sixth Form offers small class sizes, personalised learning, and a diverse range of academic subjects including Fine Art, Design, the Sciences, Business Studies, Economics, English Literature, History, Languages, Mathematics, Philosophy, PE, Politics, Psychology and Sociology.

The expectations of our Sixth Formers are high. We want them to achieve their very best academically, socially and personally at this important stage of their lives. We therefore provide extensive support and tutoring for each and every student as well as extra-curricular opportunities and positions of leadership.

The decisions to be made at Sixth Form can have an important influence on students' futures. With this in mind, we work hard to ensure every Sixth Former has access to the best support, advice and guidance possible. This is provided through our structured university and careers programme which offers unique experiences, events, overseas visits and trips, workshops, work experience placements and taster sessions.

Analytical thinking, creativity and flexibility will be among the most sought-after skills that our students will need and these are the attributes we are nurturing and developing in our young people.

Mentoring and support is key and delivered by our dedicated teaching and support staff, professional organisations and businesses, university partners, the Deo Duce Foundation and our vibrant Old Salvatorian network of over 200 alumni.

With our rich history, successful alumni and rising stars, we have much to be proud of at Salvatorian College. From entrepreneurs, inventors, scientists, sportsmen and actors to politicians, doctors and teachers, we are a thriving and industrious place of learning where our young men leave us as confident, polite and well-rounded people.

We are proud to be developing students who can work in any future environment, holding their own and competing with the best, and we are confident and secure in the knowledge that Salvatorian students will be future leaders of good influence, whatever their chosen field.
