Purpose

SUPER CURRICULUM KS4

What is the Super Curriculum?

The **Super Curriculum** is a voluntary extension of learning designed to help students go beyond the classroom. It gives them the chance to challenge themselves, explore new ideas, and make connections between different subjects.

Its main purpose is to:

- **Stretch and challenge** higher attainers.
- **Widen horizons** by encouraging curiosity and independent exploration.
- **Build cultural capital** through enriching, subject-linked tasks.
- **Encourage creativity and deeper thinking** in a way that is recognised but not pressurised.

The Super Curriculum is designed to be **high impact but low pressure**. It allows students to choose meaningful opportunities that interest them, explore topics in greater depth, and share their achievements with teachers, peers, and even in assemblies.

By taking part, students can develop skills that go beyond exam preparation – such as independence, problem solving, critical thinking, and confidence – all while building a love of learning.

Students can choose to submit a response using the link on the Super Curriculum homepage.

Once a Salvo

SUPER CURRICULUM KS4

Charity Bake Sale Plan, bake, and sell food to raise funds for a chosen charity. Present your idea as a team and donate the profits. 	Community Clean-Up Take part in or organise a litter-picking or green space tidy-up in the local area. Reflect on how this supports stewardship of creation. 	Faith in Action Journal Keep a short journal for one month recording how you live out Catholic values (kindness, respect, service). Share one example with your form. 	Positive Culture – Create a poster, poem, or short video promoting respect, tolerance, and kindness in line with PSHE themes. 
Care Packages for the Homeless Work with your peers to create small care packages (toiletries, food, warm clothing) for those in need. Deliver them through a local charity. 	Celebrating Diversity Research a cultural festival from the Catholic world (e.g., Día de los Muertos, Feast of St Joseph). Create a poster or presentation to share with your tutor group. 	Service Through Skills Offer your time or talents (artwork, design, music, sport coaching, mentoring younger students) to benefit the school or parish community. 	Acts of Service – Volunteer one hour of your time to help at home, school, parish, or a local community project. Reflect on how this supports the common good. 
Eco-Challenge As part of Laudato Si' values, take on a one-week challenge (plastic-free, walking instead of driving, reducing food waste). Record the impact and share with your class. 	Fundraising Innovation Design a creative fundraising event (quiz night, sponsored silence, art auction). Pitch it to your form teacher or Head of Year. 	Prayer & Reflection Space Create a visual or written reflection (poster, poem, artwork) on how Catholic social teaching inspires you to work for the common good. Display it in school or parish. 	Random Acts of Kindness Week – Each day, do one small act of kindness (help a peer, thank a teacher, hold a door, sit with someone new at lunch). Keep a short record.

3D Design

SUPER CURRICULUM

KS4

Grand Designs (Channel 4 / All4) – Watch an episode. Sketch the building and note two innovative design features. 	Shadow Architecture – Use a lamp/torch and objects to cast shadows. Sketch or photograph the structures created. 	Recycled Sculpture – Create a small 3D piece from recycled materials. Photograph the process and explain your concept. 	Abstract: The Art of Design (Netflix) – Watch the episode on architect Bjarke Ingels. Create a mini moodboard inspired by his designs. 
Local Architecture Tour – Walk around your town/city. Photograph 5 buildings in different styles and present them as a moodboard. 	Dream Room Design – Sketch and model your ideal bedroom or study space, showing layout, furniture, and style. 	Architectural Landmark in Another City – Visit a notable building outside London (e.g., Durham Cathedral, The Sage Gateshead, Liverpool Metropolitan Cathedral). Sketch and write a short reflection. 	V&A Museum (London) – Explore the sculpture and architecture galleries. Sketch one piece and reflect on its design. 
How to See a City (podcast / YouTube) – Listen to a talk on urban design. Write 3 things that change how you think about buildings. 	Read: A Book on a Famous Architect (e.g., Zaha Hadid, Le Corbusier) – Note down 5 key ideas about their philosophy of design. 	Engineering Meets Art – Explore bridges (e.g., Millau Viaduct, Tower Bridge). Sketch one and label how it balances strength and beauty. 	The Genius of Design (BBC) – Choose an episode and note one idea you could apply to your own 3D work.

Art

SUPER CURRICULUM

KS4

Watch: Abstract – The Art of Design (Netflix / YouTube clips) Choose one episode or designer featured. Create a sketch or short written response explaining how their approach to creativity could inspire your own work. 	Visit: Tate Modern / National Portrait Gallery / Saatchi Gallery Visit an exhibition. Sketch or photograph 3 artworks, and write one sentence each on how the artist uses media, style, or meaning. 	Art & Society Debate Research an artist who caused controversy (e.g., Tracey Emin, Banksy, Ai Weiwei). Write a short opinion piece: is it art, activism, or both? 	Cross-Curricular Challenge Research how maths or geometry has influenced art (e.g., Islamic patterns, Renaissance perspective, Golden Ratio). Create a design based on one idea. 
Try a New Technique Experiment with a new medium you haven't used before (e.g., oil paint, collage, digital illustration, lino print, plaster, spray paint). Produce a small piece and record the process. 	Mini Exhibition Review Find a review of an exhibition (newspaper, gallery website, blog). Summarise it in your own words and say if you agree with the critic. 	Watch: Sky Arts Portrait Artist of the Year Choose one episode. Sketch your favourite portrait and write two sentences on why the artist's style appeals to you. 	Visit: A Gallery Beyond London Travel to an art gallery in another city (e.g., Manchester Art Gallery, The Hepworth Wakefield, or The Baltic in Gateshead). Choose one artwork to sketch and write two sentences on how it inspires your own project. 
Food as Art Research an artist who uses food (e.g., Arcimboldo, Jan Davidsz de Heem). Create your own food-inspired artwork (still life, styled photo, or edible piece) and annotate the link between art and food. 	Draw in the Dark Turn off the lights, use a torch or candle to create shadows, and draw what you see. Focus on tone, atmosphere, and mood. 	Design a Gallery Space Imagine your final project is being exhibited. Draw a floor plan showing how your work would be displayed and why. 	Listen: The Great Women Artists Podcast Find an episode about a female artist. Note down 3 things that surprised you and link it to your own practice.

Business Studies

SUPER CURRICULUM

KS4

Business Decisions Read <i>Shoe Dog</i> by Phil Knight. Reflect on the actions Nike took to turn the business into a success and whether any surprise you. 	The Museum of Brands Take a trip to the Museum of Brands. Reflect on how packaging and marketing changed over time and what has stayed the same. 	Business Loans Research how to source a business loan. Which bank offers the best terms and are there any conditions? Are there other forms of help, such as the government, which could help. 	Interview Interview a local successful business owner. How have they built up their business so that it is now successful? What advice do they have for others? 
Stock Investment Simulation Sign up to the London Stock Exchange Simulator and research firms to invest in. Try to grow your investments by 10% in a year. 	The Apprentice Watch the Apprentice on BBC. Reflect on what makes each team successful or causes them to fail in each task 	Successful Brands Create a PowerPoint on 3 globally successful brands, stating what they have done over time to achieve such a status. 	Business Survival Research why 20% of Businesses fail in their first year. What steps are stakeholders taking to try and prevent this number being so large? 
A Successful Businessman Read <i>Teenpreneur</i> by Errol Lawson. Use the advice to design a Business Plan for an idea of your choice. 	Local High Street Walk down your local high-street. Note the different variety of businesses present. Why are these successful compared to those not present 	A Budget Create a personal budget for a calendar month and track how your spending measures against it. What did you over or underspend on? 	Inside the Factory Watch Inside the Factory. What type of production is each firm using and how are they maximising efficiency?

Catering

SUPER CURRICULUM

KS4

Inside the Factory (BBC iPlayer) – Watch an episode on food production. Create a flow chart of how one product is made. 	Bake Off Challenge – Bake bread, cake, or pastry at home. Change one ingredient and record how it affects the outcome. 	Borough Market (London) or a local food market – Photograph or sketch 3 examples of creative food presentation or packaging. 	Healthy Snack Redesign – Take a popular snack and redesign it to make it healthier while still appealing. 
Farm Visit / Pick Your Own – Explore where ingredients come from. Photograph, sketch, or reflect on how this connects to catering. 	Food Programme (BBC Radio 4 Podcast) – Listen to an episode. Write down 3 surprising facts about food culture or nutrition. 	Chef's Table (Netflix) – Watch an episode. Sketch or photograph a dish and analyse its presentation. 	World Food Dish – Cook a dish from another culture. Present it creatively and research its origins. 
Food Styling – Cook or plate a dish, then photograph it as if for a menu or advert. 	Read: “Salt, Fat, Acid, Heat” by Samin Nosrat – Summarise one key idea and apply it in a dish. 	Restaurant Visit – Dine at a restaurant you don't usually visit (e.g., different cuisine). Write 3 notes on presentation, flavour, and culture. 	Great British Bake Off – Watch a challenge. Try sketching or planning how you would present one of the bakes.

Computer Science

SUPER CURRICULUM

KS4

Watch: The History of Computing Watch a documentary clip on the history of computers (e.g. BBC or YouTube). Create a timeline highlighting key inventions and people. Use images or drawings to illustrate.  	Algorithm Study Choose a sorting algorithm (e.g. bubble sort or merge sort). Create a mini poster explaining how it works with step-by-step diagrams and real-life examples. 	Try a New Programming Language Write a simple program in a language you haven't tried before (e.g. Python, JavaScript, or Scratch). Share your code and explain what it does. 	Design a Computer System Draw a diagram of a complete computer system (including CPU, RAM, storage, input/output devices). Label each part and describe its function. 
Cybersecurity Debate Watch or read about a recent cyber attack. Write your opinion: Is hacking always bad? Use examples to support your argument. 	Create a Coding Challenge Design a small coding problem or puzzle for your classmates to solve. Provide sample input, output, and a hint to get started.  	Watch: The Future of AI Watch a TED Talk or news report on Artificial Intelligence. Write a summary of potential benefits and risks AI brings to society. 	Python calculator: Create a simple Python calculator that can do the following operations, addition, subtraction, division, multiplication, square root, powers and Pythagoras theorem 
Explore Computing Careers Research 3 different careers in computing (e.g. software developer, cybersecurity analyst, data scientist). Create a moodboard or mini-presentation on skills and daily tasks. 	Design a Computer Game Concept Plan a game with levels, rules, input/output methods, and mechanics. Write pseudocode for at least one key function or feature. 	Binary and Hexadecimal Art Create pixel art using binary and hexadecimal colour codes. Explain how binary/hex relates to computer data storage. 	Cybersecurity Research Investigate a cyber attack type (e.g., phishing, ransomware). Produce a detailed leaflet or presentation on how it works, consequences, and prevention methods.

Economics

SUPER CURRICULUM

KS4

Higher Education Research Economics courses at a variety of universities. What new topics interest you? Create a lesson on one of them. Try to find any other opportunities like Apprenticeships. 	Autumn Budget 2025 Create a PowerPoint showing how the Budget will affect one Economic Agent. Is it a good budget in your opinion? Will it make their life better? 	Bank of England Museum Visit the Bank of England Museum in Threadneedle Street. How as the role of the bank changed? What have remained their large roles? 	Nobel Prize Research the last 3 Nobel Prize for Economics winners. Do you agree with their work? Can you find any competitors for each of the years you'd have given the prize to? 
Read Freakonomics by Steven Levitt and Steven Dubner. Research whether any of the examples used in the book are no longer accurate. Can you update them? 	Attend a Lecture at the LSE Find a lecture of your choice and attend in person. Make notes and condense them afterwards. Do you agree with everything that was said? 	You are the Teacher Look at A-Level specifications and create a lesson on a topic which will not be covered in your GCSE. Use the news for inspiration. Once finished, deliver it to your class. 	Watch The Big Short What caused the GFC? How did some characters succeed during these times? Research if the regulators have learnt from such mistakes 
The Bank That Almost Broke Britain How did the Government save RBS? What would the effects have been had they not done so? Research whether any other banks were saved or not. 	COVID Report Create a report listing how COVID affected 5 Economic measures of your choice. Has this since reverted to pre-COVID levels? How damaging was COVID? 	Economics Journal Create an Economics journal, filling in from the news every day for a month. Have any Economic Agents changed their opinions on matters? Has anything surprised you? 	Read The Undercover Economist by Tim Hartford. Try to create your own example of an economic principle displayed through the real world.

English

SUPER CURRICULUM

KS4

Modern Classics Read a modern literary classic (e.g., <i>Of Mice and Men</i>, <i>To Kill a Mockingbird</i>). Reflect on its themes and characters. 	World Cinema Adaptation Watch an international film based on literature (e.g., <i>Life of Pi</i> (India), <i>Pan's Labyrinth</i> (Spain)). Write a short comparison to the original story or theme. 	British Film Institute (Southbank) Visit BFI or attend a screening of a literary adaptation (e.g., <i>Jane Eyre</i>, <i>Macbeth</i>, <i>The Handmaid's Tale</i>). Consider how literature is translated to screen. 	Literary Playlist Create a playlist of 6–8 songs that reflect a character, theme or mood in a novel or poem. Include brief notes explaining each choice. 
Interviews with writers <u>Listen</u> to writers talk about their novels, their inspirations and their craft. 	The British Library Visit the British Library and explore the Treasures Gallery – note down 5 artefacts related to English Literature or famous authors. 	Literature & Social Justice Research how literature has been used for activism (e.g., Maya Angelou, George Orwell, Malala's memoir). Write about how a writer gave voice to the voiceless. 	Submit to a Literary Journal Enter a poetry or flash fiction contest (e.g., <i>Young Writers</i>, <i>Foyle Young Poets</i>, <i>The Day</i>) or submit to a youth literary magazine. 
Poetry Using Carol Rumens's <u>column</u> from <i>The Guardian</i> for inspiration, create a scrapbook of poetry you have enjoyed/find interesting. 	Visual Interpretation of a poem Choose any poem and represent it visually through collage, drawing, or digital art. 	Teach a Text Create a lesson (poster, slides, quiz) to teach a theme, character, or technique from a GCSE set text. 	Dystopian Fiction Read a dystopian novel (e.g., <i>1984</i>, <i>The Hunger Games</i>). Compare it to a nonfiction article on current affairs.

French

SUPER CURRICULUM

KS4

French News Digest Read a French article on 1jour1actu or Le Monde des ados. Write a 100-word French summary using 3 tenses. 	Film & Documentary Review Watch a French film/documentary on Arte.tv. Write a critical review (150 words) in French, using connectives and opinions. 	Literature Extract Explore Gallica BnF (French national library). Translate one paragraph and identify complex grammar structures. 	French Song Study Analyse lyrics on Lyricstraining. Perform part of the song or rewrite a stanza in English keeping rhythm. 
Podcast Listening Listen to RFI Journal en français facile. Present a news story orally in French using your notes. 	Pen Pal / Virtual Exchange Join a pen pal project via eTwinning. Record a video letter introducing yourself with at least 3 tenses. 	Francophone Research Research a Francophone country via Francophonie.org. Compare traditions with France in a bilingual poster. 	French Recipe Creation Cook from Marmiton or BBC Good Food – French Recipes. Record a “cook show” in French narrating each step. 
Museum / Cultural Link Explore an exhibition (e.g. Musée d'Orsay virtual tour). Write an art critique in French (opinions + justification). 	French in the Real World Scavenger hunt: find French words on packaging or fashion labels. Research why French is used in global brands. 	Translation Challenge Translate a short French poem or article from Poésie Française. Annotate tricky grammar or idioms. 	Super Star Project Choose one: Research French cinema (e.g. Cannes Film Festival). Write and illustrate your own mini comic using Pixton. “Super Star French Certificate.”

Geography

SUPER CURRICULUM

KS4

Non Fiction Read 'Prisoners of Geography' or 'Factfulness – Hans Rosling' and write a reflection on what you have learnt 	Data Analysis Practice: Use sources like the UN, World Bank, or Gapminder to examine patterns in development or population. 	Podcasts <i>Ask the Geographer</i> – RGS <i>The Climate Question</i> – BBC World Service <i>Costing the Earth</i> – BBC Radio 4 	Write a Letter to a your local MP Choose a local geography issue you care about. Write a persuasive letter explaining the problem and suggesting solutions. 
Fiction <i>The Carbon Diaries 2015</i> by Saci Lloyd or <i>Where the River Runs Gold</i> by Sita Brahmachari. 	Create a revision video or podcast of a GCSE topic 	Watch a geographical film Such as 'The impossible' or the 'The boy who harnessed the wind'. 	Build a 'Geography in a Box' Diorama Create a 3D model of a physical feature or human environment (e.g. a rainforest layer model, city zone layout, coastal erosion features). Use recyclable materials (cardboard, string, etc.). Add labels and an accompanying case study sheet. 
Research Harrow Research Harrow using https://geoportal.statistics.gov.uk/ and get stats about the demographic, crime rate etc. Create a report or create a map showing information 	Self guided walk around Canary Warf. Link here or virtual to see the regeneration of the area 	Cultural event Visit one of the several cultural events that happen in London over the Year such as Chinese New Year, Diwali Lights, London Halal Food Festival, St Patrick's Day Parade 	Competition Enter one of the competitions on the GA website

Graphics

SUPER CURRICULUM

KS4

Typography Challenge – Create your name or a phrase using only hand-drawn type (no images). Focus on style and mood. 	Local Design Hunt – Explore your town centre. Photograph 5 examples of good/bad graphic design (posters, adverts, signs). Create a page comparing them. 	Graphic Design Podcast / Creative Rebels – Listen to an episode. Write 3 takeaways that could help your own design process. 	Helvetica (2007 documentary) – Learn about the world's most famous font. Redesign a logo using Helvetica or another typeface to see the difference. 
Visit a Gallery Beyond London – Go to a design-related exhibition in another city (e.g., Manchester Art Gallery, The Baltic Gateshead). Choose one graphic piece and reflect on it. 	Redesign Packaging – Take a household product and reimagine its packaging to make it more eye-catching or sustainable. 	Wellcome Collection (London) – Explore their exhibitions on visual communication. Sketch an object or poster. 	Logo Evolution – Choose a brand (e.g., Apple, Nike, Pepsi) and show how its logo has changed over time. Explain why it works. 
Digital Remix – Take an old painting (e.g., Van Gogh, Monet) and transform it into a modern poster using digital tools. 	Typography in the Environment – Photograph interesting fonts you spot around your town (shop signs, posters, graffiti) and make a collage. 	Sky Arts – The Art of the Logo – Watch an episode and sketch your own redesign of a famous brand logo. 	Poster for a Cause – Design a poster that raises awareness of a social, cultural, or environmental issue you care about.

History

SUPER CURRICULUM

KS4

Read a Historical Novel Choose <i>Stone Cold</i>, <i>The Book Thief</i> or <i>Witch Child</i> — each links to themes like Nazi Germany, homelessness and policing, or persecution. Write a diary entry from a character's perspective. 	Read a Non-Fiction History Book Try <i>The Cold War: A New History</i>, <i>The Five</i>, or <i>Hitler and Nazi Germany</i>. Summarise three facts that directly link to your GCSE topics. 	Listen to a History Podcast Tune into <i>You're Dead to Me</i> or <i>History Extra</i> for topics like medieval punishment, Cold War conflict or Nazi rule. Create a 5-question quiz to test classmates. 	Watch a Historical Film Watch <i>Downfall</i> (Nazi Germany), <i>Bridge of Spies</i> (Cold War), or <i>The Other Boleyn Girl</i> (Elizabethan context). Write a short critique on its historical accuracy. 
Watch a Documentary Watch <i>The Rise of the Nazis</i> (Weimar), <i>Killer Queen</i> (Elizabethan England), or <i>London: 2000 Years of History</i> (Crime & Policing). Compare what you learn to the course. 	Visit the Tower of London Connect with Elizabethan England: explore plots, executions and religious tensions. Research one Elizabethan prisoner and tell their story. 	Design a GCSE History Game Create a board game or escape room based on key content: Cold War events, Elizabethan threats, medieval punishments or Nazi Germany. Include timelines or source clues. 	Take a Virtual History Tour Explore the Berlin Wall, the Museum of London's Whitechapel galleries, or Cold War spy tech online. Create a sketch, voiceover, or mini tour of what you find. 
Visit the Imperial War Museum Explore rooms on Nazi Germany, totalitarianism and Cold War fear. Find 3 sources and explain how they help you understand the GCSE content. 	. Explore Whitechapel Take a Whitechapel walking tour or use an online map. Learn about policing, housing and Jack the Ripper — then make a revision leaflet based on what you saw 	Explore an Online Archive Use Old Bailey Online (Crime & Punishment), National Archives (Elizabethan sources), or the IWM (Cold War/Nazi era). Write about the historical value of one source. 	Write an Alternative History What if Mary, Queen of Scots became queen? What if Hitler never came to power? Explore a big change and explain its long-term impact on the modern world.

Religious Education

SUPER CURRICULUM

KS4

Read <i>The Philosophy Book</i> by Dk 	Visit the National Gallery to engage in appreciation and discussion around Christian art. 	Virtual Pilgrimage Project - Create a digital presentation or video exploring a pilgrimage site (e.g., Jerusalem, Lourdes, Vatican City, Walsingham), its significance, and modern-day experiences. 	Interview a Faith Leader - Conduct and document an interview with a local imam, priest, rabbi, or monk on a current moral or social issue. 
Design a video game/website with ethical dilemmas. 	Create Tiktok videos explaining a religious concepts. 	Ethics Debate Club: Start or join a lunchtime debate club focused on ethical and religious issues (e.g., "Is war ever justified?", "Should animals have rights?"). 	Research how AI is affecting religion (e.g., robots leading prayers in Japan) and present findings. 
Create a revision podcast/video on GCSE revision for RE. 	Watch the following movies and talk to your parents/carers about the themes in the movie. The Good Lie (2014) Hotel Rwanda (2005) The Truman Show (1998) I, Robot (2004) 	Write to an MP Write a persuasive letter to your MP about an issue where your faith and values drive your position (e.g., poverty, refugees, environment, right to life). 	Research and create a 'World Faiths in Crisis' Report Investigate and report on a religious group facing persecution or injustice around the world.

Science

SUPER CURRICULUM

KS4

The Science That Changed Us Read <i>The Gene</i>, <i>The Body</i> or <i>A Short History of Nearly Everything</i>. Choose one idea that reshaped humanity — explain why. 	The Hidden Science of People Watch <i>The Secret Life of the Human Body</i> or <i>Horizon</i>. Reflect on how hidden processes keep us alive and evolving every day. 	The Element Hunter Research the global journey of one periodic table element (e.g. lithium, gold). Where does it come from, and how do we use it? 	Letter from the Future Write as a future scientist whose breakthrough has solved a global crisis. What was the discovery and what changed for humanity? 
Science on Trial Choose a controversial application (e.g. CRISPR, AI in medicine). Present both sides as if in court and conclude with your personal verdict. 	Banned, Broken or Brilliant? Read about a controversial discovery (e.g. cloning, nuclear fission). Was it a turning point, a danger or both? Debate your view. 	Urban Ecologist Take part in a nature mapping or clean-air project. Use your data to build a case for urban environmental change in your local area. 	GCSE in a Box Choose one big idea (e.g. atomic structure, energy transfer) and create a revision box using diagrams, models, and analogies to teach it. 
Design a Science Revolution Imagine you're an inventor in 2075. Sketch and label a game-changing scientific device and explain the breakthrough principles behind it. 	London Science Explorer Visit any science-related site (e.g. Wellcome Collection, Royal Observatory). Create a "what surprised me" reflection and photo diary. 	Science vs Fiction Watch <i>Interstellar</i>, <i>Gattaca</i> or <i>The Martian</i>. Annotate 5 moments of real vs fake science and explain what we still don't fully understand. 	Put Science on Trial – Write or perform a courtroom debate on a discovery like gene editing or nuclear power, including scientific, ethical and cultural viewpoints.

Spanish

SUPER CURRICULUM

KS4

Spanish News Digest Read an article on El País Edición Escolar or News in Slow Spanish. Write a 100-word summary in Spanish using 3 tenses. 	Film & Documentary Review Watch a Spanish film or documentary on RTVE Play or Netflix (<i>Roma, Campeones</i>). Write a review (150 words) in Spanish with opinions + connectives. 	Literature Extract Read a short text on Biblioteca Virtual Miguel de Cervantes. Translate a paragraph and highlight advanced grammar (subjunctive/preterite vs imperfect).  	Spanish Song Study Use Lyricstraining. Try songs by Rosalía, Shakira, or Vetusta Morla. Perform part of the song or adapt lyrics into English while keeping rhythm.  
Podcast Listening Listen to Radio Ambulante or Notes in Spanish. Summarise orally in Spanish with at least 5 new words included. 	Pen Pal / Virtual Exchange Connect with Spanish-speaking teens via eTwinning. Record a video letter introducing yourself with at least 3 tenses. 	Hispanic World Research Research a Spanish-speaking country via BBC Mundo. Create a bilingual comparison of its culture with Spain. 	Spanish Recipe Creation Cook a recipe from Directo al Paladar (e.g. tortilla española, paella). Record a cooking video in Spanish narrating each step. 
Museum / Cultural Link Explore Museo del Prado Virtual Tour. Write an art critique in Spanish (opinions + justification). 	Spanish in the Real World Spot Spanish words in your environment (brands, music, labels). Research why Spanish is used in global marketing. 	Translation Challenge Translate a short Spanish poem from Poemas del Alma. Annotate tricky grammar/idioms and attempt your own creative translation. 	Super Star Project Choose one: Research Spanish cinema (e.g. Almodóvar, San Sebastián Film Festival). Write and illustrate your own Spanish comic strip using Pixton. "Super Star Spanish Certificate."
