Mr Martin Tissot, MA, MBA, NPQH

## **A guide to the changes proposed to the September 2027 Admissions Policy for Salvatorian College.**

The Governors of Salvatorian College are consulting on the proposed changes to the school's admissions policy from September 2027. The consultation will commence on Friday 14<sup>th</sup> November and comments will be able to be made for a minimum of 42 days.

Responses to this consultation should be made in writing to

[admissions@salvatorian.harrow.sch.uk](mailto:admissions@salvatorian.harrow.sch.uk) The consultation will close on Monday 5<sup>th</sup> January.

Summary of changes:

The introduction to the admissions policy has been re-written to provide a more concise and purposeful statement regarding the Catholic nature of the school and PAN. This included the removal of the section 'General Guidance' as there is a 'Children with an Educational Health Care Plan (EHCP)' section within the document. The probability of children of multiple births spanning the planned admission number threshold is very low. In the unlikely event that this happens Salvatorian College would continue to offer a place for the sibling, even if above PAN. This section is now more accessible for prospective parents, whilst still retaining key information.

Over subscription Criteria 3 has been added to prioritise practising baptised children who attend the local Catholic Harrow feeder schools. If all pupils applying for a place are practising baptised Catholic children, priority will be given to those that attend the feeder schools we work closely with in our local communities and parishes.

Over subscription Criteria 8 has been added to facilitate faith and non-faith applicants to attend if they have a sibling currently at Salvatorian College. Currently siblings are not prioritised in the 2026 admissions policy. In the 2027 policy they would be able to enter the admissions criteria after all the Catholic and Christian criteria have been used.

Over subscription criteria 9 has been added to enable those pupils who are not Catholic or Christian to continue with a Catholic education in Harrow, should they wish to. Priority here will be given to the pupils that attend the feeder schools we work closely with in our local communities and parishes.

The 'See Note A-G' in each of the oversubscription criteria have been removed. The definitions are provided in the notes section below the over subscription criteria and these are deemed to be self-explanatory.
