RE: Post Consultation Letter for the Admissions Policy (September 2027) for Salvatorian College.

The Academy Trust of Salvatorian College consulted on the proposed changes to the school's admissions policy for September 2027. The consultation commenced on Friday 14th November 2025 and comments were invited before Monday 5th January 2026.

During this consultation period one response was received. It referred to the Diocese of Westminster model admissions policy and the requirements expected of a Catholic School operating within the Diocese.

These comments have been taken on board by the Academy Trust and so a number of small changes have been made to the consultation document.

1. Governing Body as the admission authority, changed to academy trust.
2. Updated definition of 'Catholic' now included. This has also resulted in tweaks to the oversubscription criteria to just 'Catholic'.
3. LAC definition is now included within the 'Catholic' definition.
4. 'Older' removed from both sibling oversubscription criteria.
5. Catechumens and Eastern Christians now included in oversubscription criteria and definitions included.
6. Updated EHCP definition now included.
7. LAC definition updated.
8. Home address definition updated.

The draft Supplementary Information Form (SIF) has also been updated to reflect these changes. The confirmed admission policy for September 2027, including the above changes, can be found on our school website.
