College

WE ARE DELIGHTED TO WELCOME
YOU TO SALVATORIAN COLLEGE

Transition Programme 2026

At Salvatorian College, you become part of the school family the moment you are offered your place. We want this to be a smooth transition from primary to secondary school, enabling you to flourish and succeed; to feel safe and confident; to grow as a resilient and independent young adult.

Our unique transition programme kicks off in March and is designed to help both of us find out more about one another to help you settle into life at the school long before the first day.

MARCH

Every family will receive a phone call welcoming them to Salvatorian College. This is to answer any initial questions and run through the initial stages of the transition programme and what to expect. All families are invited into school on Monday 9th March (4.45-5.45pm) for a presentation from the Head of Year 7, Headteacher and Summer School Lead. There is also a chance to meet other staff and find out more about the Year 7 experience.

MARCH & APRIL

Families are invited in for a personal tour of the school led by Head of Year 7 and Head of School.

MAY

From May and throughout the summer term, a member of the Salvatorian College team will be in to visit you at your primary school to find out more about you.

JUNE

CATs Testing Day happens in June which allows us to organise new students into form classes.

JULY

In July, all new Year 7s will spend a whole day in school for the first time. The day will include a tour of the school, meeting your new tutor and classmates and getting to grips with what life at secondary school is all about and what there is to look forward to. Parents will also be invited into school for a meeting with staff.

AUGUST

The transition programme highlight; Summer School! Every new pupil is invited to join us for educational fun activities such as sports, gardening, cooking and creative projects.

SEPTEMBER

It's finally here! Your first day at Salvatorian College will be Year 7 only. This will be a chance for you to find your way around the school and meet your classmates and teachers, with plenty of exciting activities to help you settle in on your first day.
