# Behaviour Policy

## Principles

---

*'Love is always patient and kind; it is never jealous; love is never boastful or conceited; it is never rude or selfish; it does not take offence, and is not resentful. Love takes no pleasure in other people's sins but delights in the truth; it is always ready to excuse, to trust, to hope, and to endure whatever comes.'*

**1 Corinthians 13**

**Reviewed: September 2021**

## **General**

---

Whilst being sympathetic to individual pupils, we shall strive to balance, appropriately, the needs of the few with the greater needs of the community.

## **Aim**

---

Our aim is to be found in the vision statement for the school. We want pupils to be models of good behaviour, responding to adults and to their peers with polite manners and a respectful attitude. We want the school to have a reputation for being strict and insistent upon good behaviour. We want to prevent bullying and ensure that pupils focus on their learning. We expect our pupils to recognise the need to behave in a Christian way and to recognise their duty of contributing to the building of a cohesive community.

Pupils will be taught to take responsibility for their own actions and to accept the consequences of their choices. We aim to care for the individual, supporting both perpetrators of poor behaviour and victims who suffer because of it. We will not vilify the perpetrator but seek to change their behaviour. Ultimately, we aspire for our young people to become independent, self-disciplined, self-regulating learners. We shall strive to ensure the right balance of reward and sanction to achieve this end.

In compiling our policy the Governors have had regards to the appropriate sections of the Education and Inspection Act 2006.

## **Responsibility**

---

The Executive Headteacher and Head of School will be responsible for the implementation and day-to-day management of the policy and procedures.

Staff (including senior staff, teachers, support staff and unpaid staff) will be responsible for ensuring that the policy and procedures are followed, and consistently and fairly applied. Mutual support amongst all staff in the implementation of the policy is essential. Members of staff have a key role in advising those in senior leadership roles on the effectiveness of the policy and procedures. They also have a responsibility, with the support of the Executive Headteacher and Head of School, for creating a high quality learning environment, teaching positive behaviour for learning and implementing the agreed policy and procedures consistently.

The Governing Body, Executive Headteacher, Head of School and staff will strive to ensure that all are treated appropriately and consistently and that the concerns of pupils are listened to and dealt with. The Governors also acknowledge, at the same time, their duties under the Equality Act 2010 and their responsibility to safeguard and promote the welfare of children, including those with Special Educational Needs (SEN).

Parents/carers will be expected, encouraged and supported to take responsibility for the behaviour of their child both inside and outside the school. The school will encourage parents/carers to work in partnership with the school to assist it in maintaining high standards of desired behaviour and will be actively encourage parents to raise with the school any issues arising from the operation of the policy. On their child's entry to the school, parents sign the Home-School Agreement, agreeing to our standards of behaviour and cooperation with any sanctions imposed. Saturday morning detentions are part of the school's disciplinary code and all parents are required to comply with this Governor-endorsed sanction.

## **Specific Responsibilities**

---

- The Executive Headteacher will be responsible for ensuring that this policy is implemented and for reporting to Governors on its impact. Inclusion and exclusion figures will be reported to the Governors.
- The Head of School and staff will be responsible for applying the principles identified above when implementing the policy.
- The governors will monitor behaviour in the School using a variety of means.
- Parents are expected to support the sanctions imposed by the School.

## **Permanent Exclusion**

---

Permanent exclusion of a pupil could be triggered by a serious one-off serious incident or an accumulation of behaviours that may fall into one or more of the categories below. These behaviours may occur in or out of school. The list below is not necessarily exhaustive.

- Serious or threatened violence
- Sexual abuse, assault or threat
- Supplying illegal substances
- Carrying/secreting an offensive weapon such as a knife
- Health and safety infringement e.g. fireworks, computer hacking
- Gang membership
- Pornography
- Inciting violence
- Robbery or threatened robbery.
- Behaviour not in keeping with British values e.g. expressing extremist or radicalising views
- Fighting or causing physical harm
- Bullying behaviour, particularly if repeated
- Repeated defiant behaviour e.g. failure to obey legitimate instructions

## **Expectations**

---

We expect pupils:

- to behave at all times in an orderly manner paying due courtesy and respect to other members of the school: adults, other children, visitors and the general public. This includes non-criminal or criminal bad behaviour; street gang affiliation or bullying, away from school premises, which the school becomes aware of through any source;
- to comply with the modifications that the school has and will put in place in order to ensure that the school is Covid-19 secure (whilst on premises, pupils should behave in a safe way, avoiding risky behaviour and socially distancing when possible; during online lessons, pupils are expected to behave courteously, responding appropriately to teachers and obeying instructions.)
- to respond promptly and obediently, without questioning, to the instructions of staff;
- to be mindful: never malicious, in thought or deed, and never bearing false witness against pupils or staff;
- to show respect for other people's property, the school and its environment.
- to arrive on time for school, lessons and all other scheduled activities in school
- to work to the best of their ability;
- to achieve better than 96% attendance each academic year;
- to be well presented both in manner and attire;
- to have pride in themselves;
- to maintain a healthy and active lifestyle; and
- to comply with any sanctions.

Any infringement to the expectations of the school is liable to punishment and sanctions, examples of which can be found in our sanction guidelines.

## Guiding Principles

---

- Ensuring good behaviour is the responsibility of all staff and is a prerequisite to quality learning.
- All pupils have the right to learn and achieve their potential and the responsibility to let others do the same.
- We will deal with any transgression promptly and with respect for the individual.
- We aim to prevent and challenge peer-on-peer abuse so that it is not normalised or trivialised by maintaining a whole-school approach, a culture of respect and by not tolerating wider behaviours, including but not limited to, sexist and sexual bullying, sexual harassment, sexual violence and up-skirting.
- The school will encourage parents to work in partnership with the school and will do our best to ensure a good working relationship.
- We will listen to all pupils and respond to their concerns.
- We will expect our pupils to be ambassadors for the school, behaving well at school but also when travelling to school or from school and in local areas, or when participating in school connected events such as trips.
- We recognise that poor behaviour is sometimes the result of unmet needs, special needs or issues of mental health. We will endeavour to recognise the signs and symptoms resulting from these needs and issues, in order to put in place preventative measures to support the individual. Decisions to impose sanctions will take into account such extenuating circumstances and will be proportionate.
- The most effective approach to behaviour management is a positive approach – it is our role to promote the best in every pupil. Rewards, therefore, should be balanced with sanctions.

## Strategy

---

To achieve this aim, the staff at Salvatorian College shall:

- establish and set out formally, in various documents such as the pupils' Journals, our expectations of what constitutes good behaviour and the standards we expect;
- reference, examples of unacceptable behaviour so that pupils understand what is expected;
- operate and update, at least annually, a 'Tariff' system of guideline punishments for behaviour infringements, thereby promoting consistency, whilst acknowledging staff discretion to be exercised according to particular circumstances;
- operate a recording system to note and deter incidents of poor behaviour, facilitating a clear picture of the pupils' infringements;
- work to strengthen our Catholic Ethos, encouraging all to live out the Gospel values;
- strive for fairness and consistency in the management of pupils;
- develop and reinforce positive attitudes towards activities that promote community cohesion;
- celebrate and reward effort and achievement e.g. through praise and, more formally, through commendations and Epraise points;
- encourage departments to develop their own complementary policies on behaviour to reinforce school systems e.g. postcards home;
- place pupils with barriers to learning and / or behaviour difficulties in the Learning Support Centre and Reflection Room - the purpose of these facilities is to help the pupils to: improve their behaviour, relationships, and attitude to learning; rehabilitate and, ultimately, re-integrate them, in a staged way, into the mainstream, by setting and tracking progress towards learning and behavior objectives;
- provide staff with regular in-service training targeted at enhancing behaviour management skills;
- support, train and empower staff to use reasonable force to prevent pupils from hurting themselves, hurting others or behaving in a way that is detrimental to the maintenance of good order;
- empower staff to discipline children both at school and in the local area and on school events and trips that take place outside school;
- Identify those with persistent disruptive behaviour and refer pupils to outside agencies and/or use consultants, if considered appropriate, to support pupils in improving their behaviour;
- use consultants and refer pupils to outside agencies, where appropriate, to help them improve their behavior;

- not allow disruptive or challenging behaviour to mar lessons or prevent others from learning;
- use prefects and a peer mentoring system to model and enforce good behavior;
- endeavour to identify signs of extremist or radicalised behaviour and respond, swiftly, by working with the relevant external agencies;

**This policy will be reviewed on an annual basis.**

## **Appendix: Anti-Bullying (sent to parents February 2021)**

---

We define bullying as 'a persistent attempt by one person or group to exert control in an anti-social and detrimental way over another person or group'. Bullying behaviour is often, but not necessarily always, premeditated and usually forms a sustained pattern of behaviour rather than being an isolated incident. As there are many forms of bullying, our policy is to examine each incident individually and decide on the appropriate action in each case. Examples of the different major types of bullying are listed in the pupil Journal but might include: hitting, kicking, teasing, racist or sexist name-calling, ignoring people, interfering with property, cyber-bullying through social networks, etc.

As a general philosophy, the Governors and Executive Headteacher are determined that any cases of alleged bullying will be investigated and any bullying will be dealt with efficiently and robustly. We are very aware that incidents at school often have consequences that occur outside school hours and off school premises. Please be reassured that we will deal with all cases of alleged bullying that involve our pupils. Sanctions extend to permanent exclusion in the most severe or repeated cases.

There is, in the first printed section of pupils' Journals, a whole page related to bullying and child protection. This is an indication of how seriously the topic is taken at Salvatorian College. We ask in the Journal that any cases of bullying are reported to the appropriate Head of Year. However, parents may feel so strongly that they want the reassurance of the issue being passed to and supervised directly by a member of the senior management. Mr Bryant is the Anti-Bullying Tsar in charge of overseeing our anti-bullying measures.
